**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom petition. As a former customer of 'big telecom' a company I felt on myself how unjust and unfare were their business practices and their treatment of me as a customer was lower than any standard I have ever seen. Having more and more aspects of my life and work happening online, more competition is directly affects how good I can exercise rights and responsibilities as a citizen.
